

Terms & conditions for Advanced Metering Trail data

- 1) The UKERC-EDC Advanced Metering Trial data comprises half hourly gas and electricity (and water) consumption for a range of building/business types and is hereinafter referred to as “the Data”
- 2) The Data was supplied to UKERC-EDC by The Carbon Trust as indicative data only, on an “as is” basis, with no guarantee as to its accuracy (please see the relevant metadata entry for the history of the Data)
- 3) The Data is supplied to the named applicant for either 1) academic research purposes only, or 2) work associated with the Non-Domestic Smart Energy Management Innovation Competition (NDSEMIC) programme. In any event the data should not be passed on to third parties, except with the prior written consent of The Carbon Trust (please make a separate application for all users who need access to the Data). (The Carbon Trust will be asked to verify all usage requests associated with the NDSEMIC programme).
- 4) The Data may be used as the basis for publications (users are requested to acknowledge the source of the data in any such publication, recognising the UKERC-EDC and The Carbon Trust).
- 5) The user may not re-publish the Data, except with the prior written consent of The Carbon Trust.
