

## **Terms & conditions for Milton Keynes Energy Park Dwellings data**

- 1) The UKERC-EDC Milton Keynes Energy Park Dwellings data comprises hourly energy consumption data gathered from low energy homes in Milton Keynes Energy Park (1989-1991) and is hereinafter referred to as "the Data"
- 2) The Data has been cleaned and pre-processed by the Bartlett School of Graduate Studies, University College London (UCL) and is provided here on an "as is" basis, with no guarantee as to its accuracy (please see the relevant metadata entry for the history of the Data)
- 3) The Data is supplied to the named applicant for academic research purposes only and should not be passed on to third parties (please make a separate application for all users who need access to the Data)
- 4) The Data may be used as the basis for academic publications (users are requested to acknowledge the source of the data in any such publication, recognising the UKERC-EDC and the original data provider)
- 5) The user may not re-publish the Data, except with the express permission of the Data owner (see item 2 above)
